

CONDITIONS OF ENTRY

1. The event will be run under Pony Club Eventing Rules 2005.
2. Objections must be lodged in writing to the organiser with £10 deposit.
3. There will be no refund for withdrawal of entry after the closing date.
4. Only the designated practice fences may be jumped.
5. Competitors must be correctly dressed and wear gloves for the Dressage Phase.
6. An effective Body Protector must be worn for the Cross Country Phase.
7. All participants must wear a Pony Club Tagged hat whilst mounted. We will provide a tagging service for hats not already tagged. The BE tag does NOT avoid the need for the Pony Club tag. To qualify for Pony Club tagging, hats must bear the CE mark AND a quality symbol, either the BSI Kitemark, the SAI Global symbol or the official Snell label with number. The CE symbol on its own is not sufficient to ensure consistent standard of manufacture. The PAS 015-:1998 and the Snell E2001 meet higher impact criteria and therefore give more protection. See Pony Club Rule Book 2005 for full details.
8. Ages to be taken as on 1st January 2005
9. Medical Armbands must be worn for the Cross Country Phase
10. Pony Club competitors who have not passed the full Pony Club B Test may only wear spurs if they have the written permission of their District Commissioner. ie signed PC membership card. Please bring this in case of inspection.
11. Stop watches are not allowed for the Cross Country Phase.
12. Save for the death or personal injury caused by the negligence of the Organisers or anyone for whom they are in law responsible neither the organisers of any event to which these rules apply nor the Pony Club nor any agent employee representative of the bodies accepts any liability for any accident loss damage injury or illness to horses riders spectators land cars their contents and accessories or any other person or properties whatsoever whether caused by their negligence breach of contract or in any other way whatsoever.

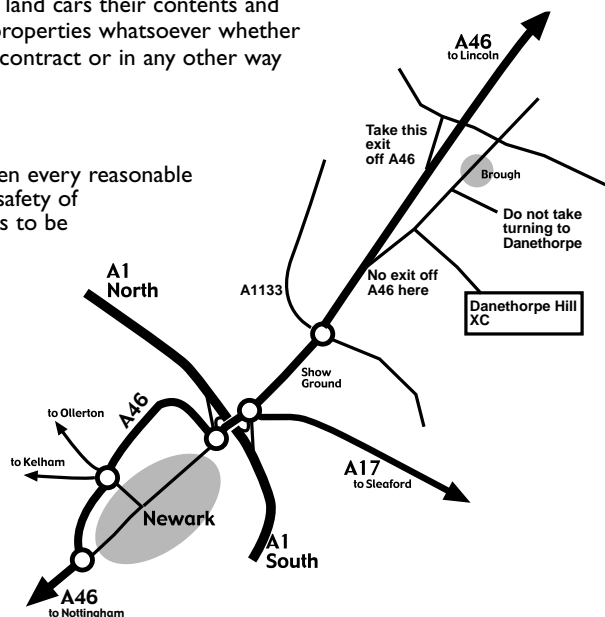

HEALTH AND SAFETY

The organisers of this event have taken every reasonable precaution to ensure the health and safety of everyone present. For these measures to be effective everyone present must take reasonable care to prevent accidents occurring and must obey the instructions of the officials and stewards.

PARAMEDICS WILL BE IN ATTENDANCE.
